

Synod of the Northeast

THE CLEAN CLIMATE
NETWORK INVITES YOU

Leading in Creation Care

Join us for a planning meeting of the network to claim our moral voices to combat climate change and help the synod be a leader in caring for God's creation!

- Share what presbyteries are already doing.
- Brainstorm ways we might together raise awareness and secure engagement around environmental and climate change issues in our congregations, our presbyteries and the Synod of the Northeast.

SPECIAL FRIDAY EVENT

Join the Reverend Fletcher Harper, Executive Director of GreenFaith on Friday night for *Transformation for the Long Haul – Building Local Religious-Environmental Leadership*. Q&A to follow.

GreenFaith has been a key leader in educating and mobilizing people of diverse religious backgrounds for environmental leadership.
